MARKET GUIDELINES FOR NEW MEMBERS

Any new additions to a vendor's product line needs to be approved by the board.

Any vendor that is certified organic, **must** submit a copy of their certification annually to the Board to be kept on file. If a vendor does not possess valid certification, he/she may **not** use the term “organic” in their signage or literature.

Each grower/vendor agrees not to practice “distress pricing”.

As stated in the bylaws, it is highly recommended that the name and location of each vendor/farm be prominently displayed at the market stand. Each vendor area should be kept neat and clean at all times.
